CRIMINAL ACTION NO. 3:21-CR-228-S

**ORDER ADOPTING FINDINGS, CONCLUSIONS, AND
RECOMMENDATION OF THE UNITED STATES MAGISTRATE JUDGE**

The Court referred the request for revocation of Defendant's Supervised Release to United States Magistrate Judge David L. Horan for consideration. The Court has received the Findings, Conclusions, and Recommendation of the United States Magistrate Judge [ECF No. 28]. Defendant having waived allocution before this Court and the time to object to the Findings, Conclusions, and Recommendations having passed, the Court is of the opinion that the findings and conclusions of the Magistrate Judge are correct.

It is, therefore, **ORDERED** that the Magistrate Judge's Findings, Conclusions, and Recommendation are **ADOPTED** as the opinion and findings of the Court, and Defendant's Supervised Release is **REVOKED**. It is further **ORDERED** that the Defendant be committed to the custody of the Bureau of Prisons to be imprisoned for a term of twelve (12) months, with credit for time served, to run concurrently with his state sentence, and with no further term of Supervised Release to follow.

SO ORDERED.

SIGNED October 19, 2022.
